Pattern Repeat	: 1.22m(4') x 0.50m(1'8")

Antistatic

NO delamination

Ultraviolet resistance

Reduce flammability

Wear resistance

Environmental Friendly

IMPORTANT NOTES:

- Vacuum carpets regularly in a diagonal direction.
- Use a good quality carpet cleaner according to the manufacturer's instructions to remove stains and avoid using petrol or similar products.
- Actual production may vary slightly from the sample due to batch variations.
- Dye lot variations may cause slight color differences in carpets.
- Protect carpets with chair pads to maintain appearance, prevent wear, and avoid carpet delamination.
- Shading, commonly known as "water marking," is an effect of carpet pile direction changes, and it is a characteristic of the product and not a manufacturing defect.
- Special attention may be required by installers for patterned carpets to ensure a suitable match.
